Voice-over:

Want to access various online government services with a single account? Register at MyGovHK! Enjoy the experience of getting personalised public information and services and interacting with the Government.

MyGovHK is a brand new one-stop portal for personalised public services launched by GovHK ([www.gov.hk](http://www.gov.hk)).

On MyGovHK, you only need one single account to access a wide range of government online services that you need!

(eTAX)

(eRVD Bill)

(Registration of Outbound Travel Information and more...)

MyGovHK features a range of special functions to meet users' needs. With a simple layout and easy-to-use functions, it makes life so much easier!

(Function title) My Online Services

You can find the most popular government online services here. It also allows you to customise your own list of frequently used services. What's more, you can gain direct access to various services supported by the Easy Sign-on function, such as eRVD Bill, eTAX, Registration of Outbound Travel Information etc,

(Function title) My Messages

You can get messages from the linked-up government online services. Messages you have chosen to receive at My Settings will also be shown here.

(Function title) My To-Do List

You can easily check the to-do items related to your linked services, such as demand notes. You can set reminders for to-do items and the reminders will be sent to My Messages.

(Function title) My Calendar

It is a calendar showing the deadlines of your to-do items, and other system defined events such as general holidays and important government events.

MyGovHK also provides other self-select functions, such as My Weather which

contains the latest weather photos and information of your chosen area provided by the Hong Kong Observatory. In My Settings, you can choose your favourite colour scheme and logo!

MyGovHK provides a wide selection of online government services. With its user-friendly interface and multiple functions, MyGovHK can certainly bring you an unparalleled online experience! More services and functions are coming. Register now for a free account and enjoy a whole new experience of personalised public service!
