Input the Validation characters generated by the System in the spaces provided and click “**Next**”.

Submit Tender

Terms and Conditions

You are requested to read the following terms and conditions carefully.

THE E-TENDERING SYSTEM (NON-WORKS TENDERS)

TERMS AND CONDITIONS OF USE AND PARTICIPATION

The Government provides this e-Tendering System (Non-works Tenders) (“e-TS(NW)”) and related services subject to compliance by you (including a Registered User) (“you”) with the following terms and conditions (the “Participation T&C”). Please read them carefully. The use of the e-TS(NW) shall be governed by these Participation T&C. By accessing the e-TS(NW) Website, you signify your unconditional acceptance of these Participation T&C. The Government is entitled to revise any Participation T&C at any time without giving prior notice to any person. You are responsible for reviewing the Participation T&C posted on e-TS(NW) Website for any revisions whenever you get access to the website. The Chinese translation of this document is for reference only. In the event of any conflict or inconsistency between the English text and the Chinese translation of this document, the English text shall prevail.

1. Definitions

1.1 In these Participation T&C, the following words and expressions have the following meanings, unless otherwise defined or the context otherwise requires:

“Alternative Authentication Method” or “AAM”	means the use of a Personal Identification Number for the submission of a Tender via the e-TS(NW) in lieu of the use of a digital certificate;
“any Uploaded Contents”	means any information, contents or materials that the Registered User (or anyone having used the Registered User’s email address and password or IAM Smart for log-in to the e-TS(NW)) make available on or upload onto the e-TS(NW) Website or the e-TS(NW) Website, including without limitation the Tender and all related documents or materials.
“Digital Certificate”	means in relation to a digital certificate of any of the types as mentioned in the definition of “digital certificate” below. the

* I/We have read, understood and agreed to all of the above terms and conditions including terms and conditions relating to -

- the use of information and personal data privacy;
- purposes of collection of personal information;
- transfer and disclosure of personal data; and
- access and correction of your personal data.

Please enter the Validation characters as shown in box below (letters are case insensitive):

DBxt

DBxt 

If you cannot see the characters above clearly, please click to get another set of characters.

Step 4 – Choose the Authentication Method you want to use for the submission and click “**Next**”.

Alternative Authentication Method

e-Tendering System (Non-works Tenders)

Step 5 – Depending on the authentication method you select, follow either step 5.1 or 5.2 to proceed. If you choose Digital Certificate, please follow step 5.1. If you choose Alternative Authentication Method, please follow step 5.2.

Step 5.1 – For submission using digital certificate, please read the “Points to Note” and choose a recognised certificate issued under the name of your organisation for authentication by clicking “**Choose File**”. After that, input the PIN of the Digital Certificate. Then click “**Next**” to go to Step 6.

Submit Tender

Points to Note

1. You are required to provide a valid Recognized Certificate issued **under the name of an organization** by a recognized certification authority as defined under the Electronic Transactions Ordinance (Cap. 553) for authentication, or else you **cannot proceed** to submit tender.
2. Only digital certificates with p12 file are supported for authentication. p12 file is a digital certificate file in a standard format called PKCS#12. You may contact the Certification Authority which issued your digital certificate for more information.
3. Please select the p12 file of your Recognized Certificate for authentication as follows:
 - (i) Insert the storage medium provided by the Certification Authority into a USB port.
 - (ii) Click "Choose File".
 - (iii) Browse the drive of the storage medium, find and choose the file with file extension of ".p12".
 - (iv) Input the PIN of your digital certificate below.
4. The digital certificate and PIN will not be uploaded to the System.

Terms and Conditions

You are requested to read the following terms and conditions carefully.

THE E-TENDERING SYSTEM

TERMS AND CONDITIONS OF USE AND PARTICIPATION

The Government provides this e-Tendering System (“e-TS”) and related services subject to compliance by you (including a Registered User) (“you”) with the following terms and conditions (the “Participation T&C”). Please read them carefully. The use of the e-TS shall be governed by these Participation T&C. By accessing the e-TS Website, you signify your unconditional acceptance of these Participation T&C. The Government is entitled to revise any Participation T&C at any time without giving prior notice to any person. You are responsible for reviewing the Participation T&C posted on e-TS Website for any revisions whenever you get access to the website. The Chinese translation of this document is for reference only. In the event of any conflict or inconsistency between the English text and the Chinese translation of this document, the English text shall prevail.

1. Definitions

1.1 In these Participation T&C, the following words and expressions have the following meanings, unless otherwise defined or the context otherwise requires:

“Alternative Authentication Method” or “AAM”	means the use of a Personal Identification Number for the submission of a Tender via the e-TS in lieu of the use of a digital certificate;
“any Uploaded Contents”	means any information, contents or materials that the Registered User (or anyone having used the Registered User’s email address and password for log-in to the e-TS) make available on or upload onto the e-TS Website or the e-TS, including without limitation the Tender and all related documents or materials.

- * I/We have read, understood and agreed to all of the above terms and conditions including terms and conditions relating to -
- the use of information and personal data privacy;
 - purposes of collection of personal information;
 - transfer and disclosure of personal data; and
 - access and correction of your personal data.
