

### Data Specification for Fund-Raising Activities PSI

The Fund-Raising Activities data are provided by Social Welfare Department, Office of the Licensing Authority, Home Affairs Bureau, Home Affairs Department and Food and Environmental Hygiene Department. This web service returns up-to-date data in JSON or XML format based on parameters provided by user.

| <b>Item</b>               | <b>Description</b>  | <b>Note</b> |
|---------------------------|---|-------------|
| generator                 | Generator identifier of this JSON/XML.  |             |
| totalRecordsSearched      | Total number of records found based on search parameters. Note that the records returned in this XML could just be a subset of the complete list. See documentation on web service parameters for more information.                         |             |
| currentPage               | The current page number of the records returned. This value should match the value specified by the page parameter. See documentation on web service parameters for more information.   |             |
| totalRecordsInCurrentPage | Total number of records returned in the current page. This value should not exceed 100 and should be equal or less than the value specified by the itemperpage parameter. See documentation on web service parameters for more information. |             |

| <b>Item</b>              | <b>Description</b>                                       | <b>Note</b>   |
|--------------------------|--|---|
| activities               | List of activit(ies) that match search parameters.       |   |
| activity                 | XML only. One of the activit(ies) in the list.           |   |
| organisationNameEnglish  | Organisation name in English.                            |   |
